

***INTERNATIONAL DAY OF LIGHT 16 MAY -2021***

Competition Name : **LIGHT OF THE BOSPHORUS**

Student Name : Marc Vallespi

Mentor Teacher: Diana Fox

School : Institut Escola Portal

City – Batea Country : Spain

The light bulb represents the Sun being turned off at the same time as it is dying, the little amount of water seen in the image means the little water left and the few plants means that without water and light it is they will die next of us all.
